

# Course on Business

A Trainers Training Course in "Getting to Know Business", starts today in Maputo. The course will benefit 15 participants from the Technical Professional School and Higher Education Institutions of the Capital.

According to the ILO (Notice), the entity organizing the Course through WOOP Project, the purpose of the course is to contribute for an entrepreneurship culture in Mozambique through the creation of a local capacity so that the knowledge be transferred with success to the potential entrepreneurs. The WOOP Project was launched in September 2007 by the Ministry of Labour aiming at contributing for the implementation of Labour and Professional Training and a Wealthy Work Agenda operation at the national and local level.
